

# Activity Pages

## SUMMER 2023 THE RIGHTEOUS REIGN OF GOD

## These Activity Pages Are Designed To:

- Engage students in a way that lecture and open-ended discussion don't.
- Gain insight on what has been learned and what hasn't.
- Encourage students to learn from one another and build vital relationships, in keeping with Proverbs 27:17 and Galatians 6:2.

## Tips For Using Activity Pages:

- Instructions are on each lesson's "Involvement Learning" page (for teachers) and Activity Page (for students).
- Use these pages as optional alternatives for "Involvement Learning" activities.
- Limit individual work time and focus on facilitating discussion among learners.
- Encourage students to complete take-home work by discussing their results in the next class session.

## Maximize Group Activity Time!

- Instead of viewing group activities as empty time for you as the teacher, look for opportunities to encourage and challenge your students.
- Pray silently during the activity for the participants' spiritual growth! Pray for them by name, calling on the Lord to bless each person.
- Circulate among the groups of learners and observe their interactions to discover your learners' level of spiritual maturity.
- Pray that the Spirit will fall on your classroom, equipping your students with knowledge and filling them with passion to boldly proclaim the good news.
